Mike,
Well really going
to go a lot of places in
the summer and I'm really
looking forward to it. This has
been kind of a tough year for
both of us, and we'll have to get
rid of the effects of it during the
summer. Here's hoping
at Junior next year,
Randy

Mike —
You've been a real
hell raiser this year
and a credit to

Mike
(P.S. — I still don't think
you're so hot! —)

The end of high school is in the near future — yet, it is quickly coming into focus — a focus you'll never travel again only once in a lifetime — make every effort to use it for your development — keep a journal to help through — you may let it slip through your fingers — you find many persons interested in you — look for them — they're there to assist.

In Gratitude

"Behold a great priest who pleased the Lord in his days . . . " (Ecclus. 44)

It is with a deep sense of allegiance, respect, and gratitude that the faculty and students of Justin High School wish to extend felicitations to the Most Reverend Leo T. Maher, Bishop of Santa Rosa, on the occasion of his twenty-fifth year as a priest of God.

As recipients of his generosity, encouragement, and concern, it is our prayer that God will bless him with continued years of health and zeal for the cause of Catholic education, and may it be of him that the Lord will say on the last day: "Well done good and faithful servant; you have shown you can be faithful in small things; I will trust you with greater; come and join in your master's happiness." . . . St. Matt. 25:21
